## End of Noel Term Newsletter

Dear Parents, Colleagues and Pupils,

### Seasons Greetings!

On behalf of the governing board, I warmly wish everyone a happy holiday. I hope you have a wonderful celebration and spend quality time with your family while taking all necessary precautions like washing your hands, avoiding large gatherings and wearing your nose masks.

2020 has indeed been an interesting year. From the COVID 19 pandemic ravaging almost every part of the world to the 'End SARS' protests and high inflation rates. It has been a challenging year. We had to make certain tough decisions and engage more in virtual learning.

Our theme for this term was 'Health and Hygiene' and we taught our pupils the importance of washing their hands constantly, drinking water, air hugs, virtual hugs and putting on their face shields and nose masks frequently. Our pupils made great strides on improving their health and hygiene.

We also introduced Understanding the world in the nursery section. The pupils did lots of hands on activities and practical. The Art classes were amazing and our children improved a lot on their gross motor and fine motor skills.

At the primary section, we worked on introducing hands on activities and attempted to cover the curriculum despite the challenges. We achieved a lot of project based learning. A lot of progress was made.

Next term will be so exciting. We have a lot of interesting activities lined up already. First, the debate club, the spelling bee club, and the homemakers club will be fully back. Our curriculum has also been enriched.

**Merry Christmas.**

The school didn't increase their fees despite rising costs which includes increasing teachers' salaries. We bear with parents because of how challenging the year has been, however, we implore parents to support and encourage us by paying on or before resumption, and also refer other parents.

Every new policy will be made known to you via our communication channels.

We look forward to collaborating with you in giving your children the best educational experience.

I would like to thank you for all your support and commitment as we work together in raising stars that will make positive impact in their world.

Any suggestion that would help improve the overall experience at Master Moulders International Academy is welcome.

Do have a splendid holiday!

Warm regards,  
**Miriam Olise**  
**Head of School**

### Pupils Appearance

Parents are encouraged to always ensure that their wards turn out in well-ironed clean uniforms, neat hair, and black leather shoes with white stockings. For our new pupils the following is our school uniform routine.

Monday -Blue shirt/ blouse  
Tuesday -White shirt/ blouse  
Wednesday - Customized  
T- Shirt and blue jean  
Thursday -Blue shirt / blouse  
Friday: - Sport wear

### Theme for Easter Term

Our theme for 2nd term is 'The Leader in Me'. Our goal is to help children develop self-management skills and confidence for their future success. The pupils will be learning self-discipline, goal-setting, public-speaking, and social skills to build them up for leadership.

### School Fees

We acknowledge and appreciate prompt payment of fees. School resumes on the 7<sup>th</sup> of January 2021. Every student is expected to resume with their Bank Deposit Slips or any other proof of payment.

School Fees are payable to:
