## End of Easter Term Newsletter

Dear Parents, Colleagues and Pupils,

On behalf of the governing board, I give thanks to God Almighty from whom all blessings flow, who alone has made it possible for us to see the end of second term 2021/2022 academic year. Our appreciation goes to our parents, staff, and students for their unflinching support throughout the term.

The term began on a good note and with God on our side, we have successfully gone through it.

During the term, we saw a lot of growth and development in our pupils performance in curricula activities. Extracurricular activities were designed for the holistic development of our pupils. There was no doubt our pupils made amazing progress.

Next term will even be more astounding and I look forward to it with great ardour. Watch out for: Heroes Day, Career Day, Spelling bee etc

We are all aware of the security situation around us. I encourage parents to be security-conscious and vigilant in this holidays period.
