End of Noel Term Newsletter

Dear Master Moulders Family,

Compliments of the Season!
God has been gracious to us this term and we are indeed very grateful for His faithfulness and mercies.

The term began on a good note.

Lion Quest International Body trained the teachers and prepared the staff for the session. The training was very impactful and results visible.

The teachers were also trained on Nelson Handwriting and as a result of this we saw lots of improvement in the handwriting of our pupils.

The students were introduced to the term's theme: 'Be A Leader'. They learnt pro-activity, setting of goals, listening and discovering their talents.

Academic goals were set for students and were mostly achieved.

Extra-curricular activities were well coordinated and students' social skills were improved.

Our teacher participated in a competition and emerged as the best in Eti-Osa Local Government.

Second Term promises to be filled with more exciting learning experiences.

On behalf of the Board of Governing board of this great citadel of learning, I appreciate the contribution of parents in complementing the efforts of the school through your relentless feedback and contribution to school activities to ensure pupils comply and participate fully.

May your Christmas sparkle with moments of love, laughter, and goodwill. And may the year ahead be full of contentment and joy. Have a Merry Christmas!

Signed:

Miriam Olise

Head Teacher
